Softball One Day High School Advanced Clinic

**Saturday,
June 2, 2012
9:00am—4:00pm**

Southwestern Softball Advanced Clinic Information

Conducted by Southwestern University Women's Softball Coaching staff, this camp is an excellent opportunity for high school student-athletes to experience collegiate softball. This clinic will be one day and include the same instruction that is given to collegiate athletes. Additionally, the college admissions session and campus tour will help prepare student-athletes for the college recruiting and admissions process.

A campus tour and admissions discussion will give participants insight into the college search process/athletic recruitment and student-athlete life. Also, it will clarify common misconceptions about Division III athletics and prepare the participants for their own college search.

Head Coach Angela Froboese:

Coach Froboese is in her 5th season with the Southwestern Pirates. She has been named the 2009, 2010, and 2011 Southern Collegiate Athletic Conference (SCAC) Coach-of-the-Year and led SU to the West Division titles in 2009 and 2011, along with the SCAC Conference Championship in 2010. She has coached multiple All-Conference and All-Region players.

Assistant Coach Erin Crawford:

Coach Crawford joined Southwestern University in August 2011. Prior to Southwestern, she was a pitcher at Texas Tech University where she earned her BBA and MBA with an emphasis in Business Management. She is a current record holder in every pitching category at Texas Tech including the most consecutive wins in 2004 and 2006.
